Abstract Cover Page

Instructions: Abstracts should describe your research and its applications in more than 1 page.

Name: _____

E-mail Address: _____

Phone Number: _____

College/Year: _____

Major: _____

Article Information

Title: _____

Subject Area(s): _____

Principle Investigator (PI): _____

All work presented is original material that I have worked on personally. If selected to write a full-length article, I have permission from my PI to do so. I am not writing about, or mentioning, unpublished materials that my PI and/or the graduate students in my lab plan to publish in a scholarly journal or to apply for a patent with.

Student Signature: _____ Date: _____

PI Signature: _____ Date: _____
