Debbie
Dear Professor Burton,

Last year, you filed an application with the Humanities Foundation for Fanciulla 100 and we were pleased to award you partial funding in the amount of \$10,000. Thanks to a better-than-expected budget for the current academic year, we are now in a position to increase your grant by \$2,000. Your new total of available funds will be \$12,000. The Foundation Executive Committee hopes this additional funding will be useful in your activities.

Yours faithfully,

James A. Winn
