Hi Martin,

Auguri di nuovo per le celebrazioni dell'autunno scorso! It was wonderful reading about you and your music all over the place. Finalmente!

I'm writing now as a faculty member of Boston University, to invite you to give a talk at our Composers' Forum in the next academic year. The Forum meets every Tuesday, 12:30-2, and it would be a great honor to have someone as distinguished as yourself take part. The honorarium is a huge \$250. So if you are planning to come to Boston anyway, it might be worth your time. And it would be wonderful for us!

Hope all is well with you and Lisa -

Take care,

Debbie

Hi Peter and Barbara,

It was lovely to see you at Mahagonny, which now seems so long ago!

I'm writing now, as a faculty member of Boston University, to invite Peter to give a talk at our Composers' Forum sometime in the next academic year. The forum meets every Tuesday, 12:30-2, so the timing is very flexible. And it pays a huge \$250 honorarium! So, if you are planning to come to Boston anyway, it might be worth your time.

Looking forward to hearing from you-

All best,

Debbie
