

GSO Meeting

Tuesday – April 29, 2008, 5:30 pm

1. Report on Finances - Treasurer

a. Besim gave a financial report. There was a miscalculation in the budget, and after receiving an itemized account record Besim realized we have more money than originally thought. This is good in light of the Jazz Brunch exceeding original cost projections.

2. Report on GSO Co-Sponsored Events – Co-Sponsored Events Chair

Review Religion Event – Graven Images Conference, April 11-13

- a. A report was not given, as the representative who organized this event was not in attendance.
- b. Marc suggested we keep a public record of the events that we fund online.

3. Report on Social Events

Review Jazz Brunch – Saturday, April 19

a. The event was moderately attended, and quite expensive. Marc suggests we consider this for future events like this. It was pointed out that the event was a holiday weekend (Patriot's Day), so that might have had an impact on the lower attendance.

Review Pub Night – Friday, April 25

a. Pub night was successful—all 150 drink tickets were sold.

Summer BBQ – Wednesday, July 16, 12-5 PM

a. Sue suggested that we shorten the time, since it hasn't been five hours in the past.

4. Deans Meeting Agenda—current issues to be addressed:

- a. Co-sponsored events.
- b. Location of graduation
- c. Location of graduate parking
- d. Parental leave issue

5. Travel Grants – Travel Grant Coordinator

a. Sue gave a report. There are 19 submitted applications and the winner will be selected by the committee tomorrow and an email announcement will be sent out.

6. Walk for Hunger – Sunday, May 4

a. Christina Prested is our contact for this event. This information is available by Marc's email. He will send out another email to reps this week.

-- Next meeting is Monday, May 21st.
