Nutshell Summary: We are just off Route 20 at Wayside Inn Road on the town line between Sudbury and Marlborough.
From BU and Points East: Take the Mass Pike 90 WEST to the exit for routes 95/128. Take 95/128 NORTH to the first exit in about a mile, which is for Route 20 Waltham/Weston. Then follow all paragraphs of “Further Directions” below.

From Points North and South: Take 95/128 to the exit for Route 20 Waltham/Weston. Then follow all paragraphs of “Further Directions” below.

Further Directions: Follow Route 20 WEST for about 10-12 miles, passing through Weston, Wayland, and Sudbury.

At the Weston/Wayland town line there is a fork in the road at the Coach Grill Restaurant - stay to the right of the restaurant (going straight) to stay on Route 20 west.

Go straight through the traffic light at the intersection of Route 20 and Route 126 to stay on Route 20 west.

At the Wayland/Sudbury town line you will pass Townline Hardware and Sky Restaurant (both on your right). Continue straight through the several upcoming traffic lights.

Once you pass Acapulco's Mexican Restaurant on your right, start looking for a small white sign on your right that says "500 feet to Wayside Inn Road". Take the right-hand fork onto Wayside Inn Road. (There is also a large green street sign at the fork pointing you to Wayside Inn Road.)

Follow Wayside Inn Road past the Inn and the church on your right and the grist mill/waterfall on your left. Continue past Pride's Crossing Road on your right, and then take the next right onto Sudbury Street. (The street sign here is high up on your left and bent!) If you miss this turn, the next intersection is a traffic light back out at Route 20 and you have gone too far.

Follow Sudbury Street and take the third right onto Minehan Lane (the street just before us is Hanlon). Our place is a few houses down on the left - a white house with blue trim. The house number 58 is on the mailbox and also next to the front door. Park in the driveway or on the street as you prefer.

From Points West: From the Mass Pike, take the exit for 495 NORTH. From 495, take the exit for Route 20 EAST. Follow Route 20 EAST through most of Marlborough (about 5 miles) - the road twists and turns a bit and also changes names several times (West Main Street, Granger Boulevard, East Main Street, Boston Post Road) but it always remains Route 20, so just stay alert to the signs.

Get ready to turn left off Route 20 and onto Wayside Inn Road after you pass some right-hand side landmarks: Raytheon, a large pond, and a small group of stores with Stephen Anthony's Restaurant and the Wayside Country Store. NOTE: To take the (legal) left at the traffic light onto Wayside Inn Road, you will need to veer off to the right before the traffic light and swing around. Once on Wayside Inn Road, take the first left onto Sudbury Street.
